# Victory over Pornography

*"Marriage is honorable among all, and the bed  
undefiled; but fornicators and adulterers God will  
judge"* (Hebrews 13:4 NKJV).

*"But I say to you that whoever looks at a woman  
to lust for her has already committed adultery  
with her in his heart"* (Matthew 5:28 NKJV).

Man was designed for love. Man was wired for  
sexual intimacy. Yet, pornography hijacks the  
male brain and turns precious marital intimacy  
into a lewd and debasing experience. Within  
days, the man can become disillusioned with  
his wife. Pornography kills the soul, destroys  
the wife and family, and changes the man as  
the visuals and acting out destroy his brain.

Pornography is an enemy of the church! Some  
researchers estimate that 70% of Christian men  
and 50% of pastors have dabbled in this practice.  
The result can be catastrophic to the church: **NO**  
power in prayer, **NO** power in ministry, **NO**  
power in the pulpit, **NO** power in the pew, **NO**  
power for healing and deliverance, and **NO**  
power for evangelism!

### Hear me out, don't trash this handout:

There is an **evil demon spirit behind pornography**  
that seduces people into the experience. Within a  
few days, the trap is set, the course is laid out,  
and—many times—the destiny of the person has  
been changed. Then, the demon can go on to

entrap others, because without major intervention from the Lord, professionals, spouse and family, the brain will stay on the pornography road with no will or ability to stop. **Yes, demon spirits are behind pornography.**

This evil spirit's name is **porneia/lust**. (1 Cor. 6:13). He is a part of the strongman evil spirit of **whoredom and harlotry** (Hosea 4:12). He is a tenacious evil warrior and seducer who causes **intense sexual cravings** in mankind. Once a person has fully given over to that demon spirit, countless sexual events will not satisfy—no sexual gratification will ever be enough. *Porneia* comes against the mind, emotions, soul, spirit, and body. Thoughts always precede the act, behavior, or sin, so **take every thought captive**.

**Deliverance Prayer will be needed. Many demons have a role in pornography addiction:**

- Porneia/lust
- Whoredom and harlotry
- Seduction
- Perversion
- Bondage and Addiction to Sex
- Lying demons
- Jezebel

Maybe you were only 11 years old when you and the guys went dumpster diving and found girly magazines that took away your innocence. Maybe you were age 12 at a boys' sleepover and got introduced to nudie magazines or videos. The pictures were hard to get out of your mind and now you need deliverance, command prayer to retrain your mind. Do not give up!!

The truth is that **anyone can fall, at any time**. This is a cursed earth, a worldly system, a godless society, and none are totally immune to the pull of the world. Developing a strong Christian life will help. Christians must guard their sons and daughters from a young age. Parents must be focused, alert, and have a strategy to keep children safe, because pornography is so addictive.

### **Chemical Addiction of Pornography:**

- \***Dopamine** - addiction to the “good feelings.”
- \***Testosterone** - drives sexual desire
- \***norepinephrine** - for arousal and memory
- \***Endogenous opiates** – euphoria and pleasure
- \***Oxytocin and Vasopressin** – causes bonding
- \***Endorphins** – “feel good” chemicals released

**To much of a good thing can alter brain chemistry**, which leads to depression, insomnia, withdrawal symptoms, restlessness, and agitation.

### **What does God want?**

Hormones are designed to work when lovemaking in the **marriage bed**—then the man can continue on his path of being a good husband and lover and continue in the sanctification process with his Lord. **The result is contentment, happiness, satisfaction, and joy**. God made the hormones and God wired the man—His goal was more intimacy and communication between the husband and wife. Pornography hijacks this system and creates a trap many can't escape. If the truth be known, pornography-induced sex addicts **are not good lovers** in their own marriage beds. Men

might think they are learning ways to be better lovers by watching this stuff, but the reality is that they are not. Also, consider the feelings of the wife when during love making the husband's mind is with the centerfold or rehearsing a porn movie!

**1 Corinthians 6:13-20** (NKJV; emphasis added): *Now the body is not for sexual immorality but for the Lord, and the Lord for the body...Do you not know that your bodies are members of Christ? Or do you not know that your body is the temple of the Holy Spirit who is in you, whom you have from God, and you are not your own?*

**Couples should not deny each other**. Remember the man has authority over the wife's body and the wife has authority over the husband's body. All couples should do their level best to be responsive to their mates. Sexual intimacy is the glue that holds the marriage together. Neither should deny love and affection to the other, except for short periods of fasting and prayer.

**Read 1 Corinthians 7:2-5, then re-read:**

*“Nevertheless, because of sexual immorality, let each man have his own wife, and let each woman have her own husband. **Let the husband render to his wife the affection due her, and likewise also the wife to her husband....”***
